**BOTTOM LINE:** Use your time wisely.

Read Psalm 90:12

DAY  
**1**

## Create A Calendar

Grab art supplies and a piece of poster board or large piece of paper. With the help of a grownup, write Psalm 90:12 at the top then draw squares to represent the days of a week. Now put a number for the date and a name for the day somewhere in each square. Use the art supplies to draw or write what you do on those days. It could be school, sports, music practice, or play dates. Make sure your week includes Sunday and note that it is for church and rest.

**THINK** about how you spend your time each week.

DAY  
**2**

## Alarm Clock

With the help of a grownup, set an alarm clock for 10 minutes. In those 10 minutes, do whatever you want to do. When the alarm goes off, write or draw what you did. Now reset the alarm clock and ask a grown up to tell you what to do for 10 minutes. When the alarm goes off, write/draw all you did.

**LOOK** at how much you can do in a short amount of time.

DAY  
**3**

## Make Some Cookies

With the help of a grownup, make some cookies from a recipe. Follow the recipe and pay attention to the amount of time each step takes. Think about what might happen if you didn't stir the ingredients long enough. Or what might happen if you left the cookies in the oven too long.

**KNOW** that to do something well takes the right amount of time.
