

STEWARDSHIP

WEEK **5**
K-1st

TAKING CARE
OF WHAT
YOU HAVE

BECAUSE IT
ALL BELONGS
TO GOD

BOTTOM LINE: Live like you know what really matters.

Read Matthew 6:21

DAY
1

Know the Difference

Grab a piece of paper and draw a line down the middle. On one side, make a collage of items you enjoy playing with or doing, like toys, games, sports, etc. On the other side, glue a picture of your family and draw a Bible. Look at your paper and compare the two sides.

KNOW that what you enjoy right now is great, but it will not last. The love you have for God and your family is what will last forever. Hang your picture in your room to keep as a reminder.

DAY
2

What Is Worth More?

Look below at the different situations and circle which choice is worth more to you. Be honest about how you feel and then share your choices with a grownup. **THINK** about what is worth more in your life.

Helping a friend «OR» Playing a video game

Keeping toys to yourself «OR» Sharing your toys with your siblings/friends

Giving a coat you can't wear anymore to someone who needs it «OR» Saving that coat because you really like it

Saving all your money for yourself «OR» Giving some of your money away

DAY
3

Treasure Box

Decorate a box to be your "treasure box." Use this box to store special things you learn at church. Add to your treasure box regularly.

LOOK at what God and others are investing into your life.

DAY
4

Pray for Wisdom

There are a lot of things in life that you will "love." They are good things, but they may not be the best things. The best things we can spend our time and money on are God and people. **ASK** God to help you know the difference between what is good and what is best.

Pray: God, you give me so many good things, and I thank you for it. Please help me to know that you are the best thing in my life. Amen.
