Evangelism: Talking About the One You Love

April 24, 2022

Evangelism:

Simply talking about the One that you love.

Two things I've learned:

1. Evangelism flows from intimacy with Jesus
2. The chance of success is worth the risk of embarrassment

## Four Practical Tips:

1. You may be moved with a “heart of compassion” as Jesus had:

Matthew 9:35-38

Mark 1:40-42

Matthew 14:13-14

When the Lord highlights someone that He may want you to speak to, you will often feel an unusual amount of care for that person’s spirit, soul, or body. It may be someone you see in your every day activities, or someone He brings to mind almost randomly.

2. Initiating conversation with a stranger whom the Lord has highlighted:

a. introduce yourself and explain why you are talking to them:

e.g.: Hi, my name is Jared and I am a believer in Jesus, and as I was shopping today, the Lord highlighted you to me today. I feel like God pointed you out to me because He loves you so much. Do you mind if I pray for you, or do you mind if I share with you what I feel God’s placed on my heart?

3. Follow the leading of the Holy Spirit. There’s no formula.

4. Pursue deeper connection. That may be inviting them to church or a Bible study, or exchange contact info.
